DAY 1

**RACHEL BERGER**

#### Comedian - Facilitator Networking Event

Rachel will provide attendees an entertaining spot of comedy while bringing us together at the end of the first day to provoke and encourage conversations about key learnings, reflections and how we want to contribute to a shared vision for addressing family and sexual violence moving forward over some light refreshments.

RACHEL BERGER is one of Australia's favourite stand-up comedians and a woman of remarkably diversified talents. In addition to playing the xylophone and carving avocado pips into small Buddhas she's recently stopped feeling guilty. Rachel has worked variously as a comedian, broadcaster, novelist, columnist, agitator and television entertainer. She's taken four solo shows to the Edinburgh Festival and her dynamic presence and engagingly sharp observations have made her an extremely popular performer both live and on television, across Australia and overseas. Rachel's high public profile has done much to establish the position of women in comedy, providing a distinctive voice for women's opinions and viewpoints. There are no cows too sacred for this Berger!
