

Would you like to talk with a lawyer about something that is happening in your life?

Not sure if a lawyer can help you?

Don't know how to find a lawyer?

Worried about the cost of legal help?

Just Healthy Families (JHF) is a free legal service based throughout Tasmania in health and social services.

You can meet with a JHF lawyer at the service or talk with them by phone or online.

Our lawyers can give you legal advice, explain your legal options and refer you to legal and other support services if you need that type of help.

Even if you're not sure if you have a legal problem, you can talk with the JHF lawyer to work out the best way to deal with it.

Our lawyers can talk with you about a range of issues, including:

- violence in your home or family life
- contact with Child Safety Services
- separation from a partner or spouse
- lack of control over your money
- tenancy or housing problems
